### ***A BRIEF REPORT OF THE PLAN OF ACTION OF: 2016-2017***

The institution is sincerely keeping up its set tradition of welcoming the new comers and sending off the final year students. The welcome function was held on 30/07/2016. And the send off was organized on 25/03/2017. The institution holds an orientation programme to the newly admitted students every year. The programme aims at giving a complete picture of the institution and the persons working in it.

The institution also conducted special coaching classes of spoken English, basic computer learning course and soft skills. The students who admitted at the institution are from rural and semi-urban areas such students are certainly benefitted by these programmes.

The institution during its academic year continuously strived hard to inculcate social, moral, human and patriotic values among the student by organizing the birth – anniversaries of great personalities and national festivals.

The institution is keenly observing some of the best practices and we believe, they bring both mental and physical discipline among the staff and the students. Some of them are work done diary, tests, exams, uniform, teachers evaluation by students, teachers exchange programme, special lectures, coaching classes, publication of articles, participation and paper presentation at seminars, our some of the staff served as resource persons at various functions and writing books.

The institution is kind enough to accept the feedback given by outgoing students, parents and alumni. We respect their valuable suggestions and correct ourselves if any shortcomings are found.

The “MITRA MANDALI” and “HOUSES” (Kautilya, Aryabhata, Sir M Visveshwarayya, Dr A P J Abdul Kalam) are hall-mark of the institution. Various functions and special lecturers were conducted throughout the year. The “MITRA MANDALI” and “HOUSES” gives an opportunity to the students to exhibit their talents at the divisional level competitions.

The institution believes that community service is an important as imparting education to the students, Under Rangers and Rowers club the students of the students regularly donates blood. The students who are enlisted their names in the list are always at the disposal of the needy. The N. S. S unit in its special camps nurtured plants and keeps the surroundings clean and green.

The passing percentage of the institution is usually higher than the passing percentage of the university. It is interesting to know that the first class with distinction students are more in number than the second class and pass class students.
