TEACHER'S FEEDBACK ON CURRICULUM ANALYSIS

2023-24

"Teacher's feedback is an important parameter for quality improvement of the curriculum and the quality education of the students of the institution. Teachers' feedback on curriculum is received for the syllabus by IQAC, analyzed and necessary improvement in content incorporated in the curriculum design and syllabus."

The following parameters are considered while obtaining feedback.

1. Effectiveness of contents of the syllabus.
2. Applicability /relevance to real life /in science and technology/for career.
3. Effectiveness of contents of the syllabus must be helpful students for competitive exams.
4. Whether the course content motivates students to aspire for higher studies /research?
5. Whether the course content is updated?
6. Whether the curriculum helps in developing personality of the students?

Reports and actions to be taken upon analyzing the overall feedback result are as follows:

- According to the teachers, the contents of the syllabus and objectives of the syllabi are well defined and clear to teacher and students, and helpful for competitive exams.
- According to the teachers, the syllabus is contemporary and need based. Depth of course content is adequate to have significant learning outcomes. And is relevant to real life aspects and for career purpose.
- According to the teachers, the course content can motivate the students to aspire for higher studies.
- According to teachers feedback, as the course content is updated as per New Education Policy, the sufficient number of prescribed books are needed (for NEP courses) in the library.
- According to teachers' feedback, the syllabus also includes topics related to social, moral, environmental, ethical values and scientific knowledge
